

## **TAKE AND MAKE: Nature Suncatchers**

**Ages 5-12**

Materials we provide:

Paper plate

Contact paper

Yarn

Materials you provide:

Natural materials

Scissors

Go outside and pick up a variety of natural materials.

Cut out the center circle of your plate.

Peel the backing off your contact paper.

Place your contact paper sticky side up on your surface.

Place the outside plate circle over the contact paper.

Arrange your natural materials on the sticky side of your contact paper.

Use the yarn to hang your suncatcher.
