READING+ACTIVITIES Mix and match! Points are what count toward earning prizes. Read 60 minutes for 60 points or read an entire book for 180 points. Want to do some activities? They're worth 60 points each. Check off reading time or completed activities as you go, and tally up your points to launch your rocket.

READ Track your reading by time read or books read to earn points. Read 60 minutes for 60 points, or finish a book for 180 points. If you want, you may complete the entire program by reading.

ACTIVITIES Complete an activity and check the box! Each activity is worth 60 points.

Read

- Read a book about a person who looks or lives differently than you. (60 pts.)
- Read a book in a format (graphic novel, book in verse, audiobook, etc.) new to you. (60 pts.)
- Read a book about or set in space. (60 pts.)
- Read a book your parent (or another adult you like) loved as a teen. (60 pts.)

Explore

- Attend a library program that's new to you or where you will learn a new skill. Which program did you attend, and what did you learn? Find programs at ppld.org/programs. (60 pts.)
- Visit a local, state, or national park/forest. (60 pts.)
- Go stargazing! Identify at least one constellation. Check out a book from the library to help you get started, or find resources on the internet. (60 pts.)
- Visit a local museum or learning center. (60 pts.)

Create

- Attend a library program where you create something. What did you create? Find programs at ppld.org/programs. (60 pts.)
- Spend at least an hour making something (this could be anything: food, artwork, woodworking, a science project, etc.). What did you make? How did you feel after spending time creating? (60 pts.)
- Create something online! Use block coding to make a game, start a blog about something you are passionate about, or make music! (60 pts.)
- Build a rocket! Use library books or an online resource to guide you (get a guardian's permission if you are going to launch it). (60 pts.)

Write

- Write and mail or email a letter to someone you know. (60 pts.)
- Make up your own alien language or cipher. (60 pts.)
- Create a comic strip/graphic story. (60 pts.)
- Enter the Teen Writing Contest. Find rules and more at ppld.org/teens. (60 pts.)

Impact

- Do a random act of kindness for someone else. Visit randomactsofkindness.org or come up with your own idea! (60 pts.)
- Volunteer! Help a neighbor, help your parents, or participate in a formal program at a place such as at the zoo, hospital, or your faith community. (60 pts.)
- Write letters to members of the military. Visit operationgratitude.com for more information. (60 pts.)
- Find one of your state representatives and write a letter to them about an issue you are passionate about. Visit leg.colorado.gov/find-my-legislator. (60 pts.)

Universe of Stories

- Learn how to observe cloud cover, then add your observations to those of other citizen scientists across the world! Go to starnetlibraries.org for help getting started. (60 pts.)
- Learn how to use the stars to navigate. Check out books on celestial navigation from the library or find resources online. (60 pts.)
- Attend a library program about space. Find one at ppld.org/programs. (60 pts.)
- Create/name your own constellation. Write a story behind the constellation. (60 pts.)
