

TAKE AND MAKE: Winter Wands

Ages 5-12

Step 1.

Gather your supplies.

Provided in your bag: a cardstock star, craft stick, paper, sequins.

From home: you will need glue, scissors, markers, tape (optional), and any other decorative materials.

Step 2.

Glue your craft stick to the back of your star so it looks like a wand. Add a piece of tape to keep it extra secure.

Step 3.

Using the white paper, cut out your own snowflake to glue onto your star (you might need to cut your paper into a square first and you might need a grown up's help with this).

Step 4.

Decorate the craft stick with markers and add sequins and any other decorations to your wand that you would like.

Step 5.

Make some wintery magic!
